PARFITT, Dr. Charles Daniel Lecturer in Tuberculosis Clinic. March 1917 (014)

University of Toronto
PRESIDENT'S OFFICE

326

March 31st, 1919

Dear Dr. Parfitt:

At a meeting of the Board of Governors held on Thursday, March 27th, Dr. Duncan Graham was appointed Professor of Medicine in the University and he is to devote his whole time to the work of the chair. One of the terms of the appointment is that the professor shall have a free hand to organise the department as he may judge best. Therefore I wish to inform you that no re-appointments or additions will be made to the staff of the Department of Medicine for the coming academic year until the new Professor has made his recommendations.

Yours sincerely,

Robt Falconer.

President.
